

## **Computer and Electronics**

Computers and many electronics contain heavy metals and other materials that should be recycled if possible. Below are a few options for proper computer and electronics recycling.

1) Check with the manufacturer to see if a take-back or drop off program is available.

<a href="#">Apple</a>	Accepts Apple products only. Offers free take back with purchase of a new computer or display.
<a href="#">AT&amp;T</a>	Free drop off at all stores.
<a href="#">Dell</a>	Accepts Dell products only. Free mail-back program.
