

Perkiomen Township was updated on the work being performed as part of the SR 4044 Project in Perkiomen Township. According to the information received, this project will be modified over the next month.

On Friday, June 15, 2018 both the northbound and southbound lanes of Route 29 (at the intersection of Ott Road and Plank Road) as well as Plank Road will be opened.

On July 16, 2018 through November 30, 2018, the **SOUTHBOUND LANE** of Route 29 will be closed. This closure will result in a detour. For those vehicles traveling south, the detour will begin at the traffic signal located at the intersection of Route 29 and Route 73 with traffic being directed across the Skippack Pike Bridge to Route 73, then south on Route 73 to Plank Road turning west onto Plank Road back to Route 29. Again, this portion of the project will last from July 16, 2018 to November 30, 2018. The Northbound Lane of Route 29 will remain open.
